

# Natural Gas Required

**ATCO**

# Welcome home.

We're here to ensure your home or business has natural gas.

Place this placard in a front window that is highly visible from the street with "NATURAL GAS REQUIRED" facing outwards. This tells us you are home and ready to receive natural gas service. Our crews will be in your neighbourhood ready to energize your service, relight your appliances and ensure they're in safe working order. You must be home for us to perform this service.

Please note, our crews will be wearing company-issued photo identification and will visit your home or business between 9:00 a.m. - 9:00 p.m. Appliance relights may take approximately 15 minutes for residential customers and up to an hour for business customers.

**If you have not been visited by our crews within 48 hours of returning to your home or business, please call us at 310-5678 or fill out our online form on [ATCO.com/Wildfires](https://www.atco.com/Wildfires).**
