WHAT DO YOU DO IF YOU MAKE CONTACT WITH A POWER LINE

1. Break the contact
2. Stay put and keep others away.
3. Call 911.
4. If you must exit your equipment or vehicle, **JUMP**. Then shuffle or hop with your feet together, **DON'T STEP!**

Know the danger. Know the steps.

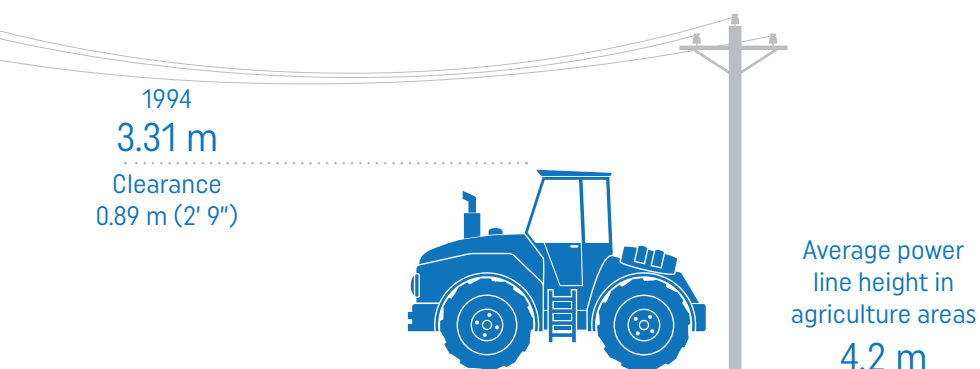

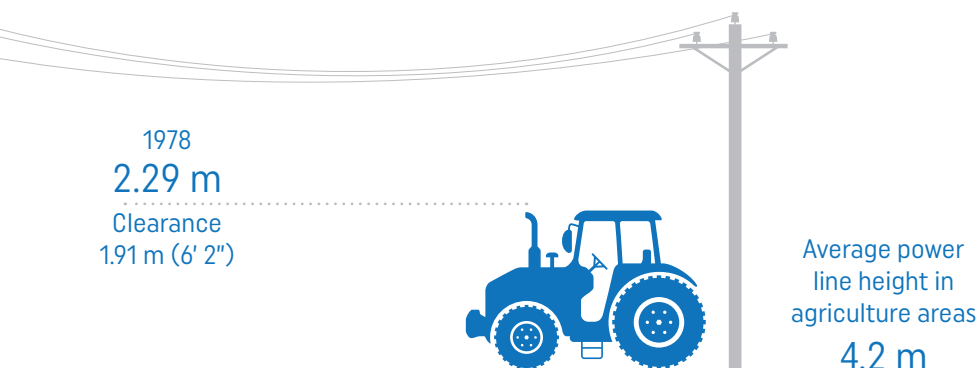

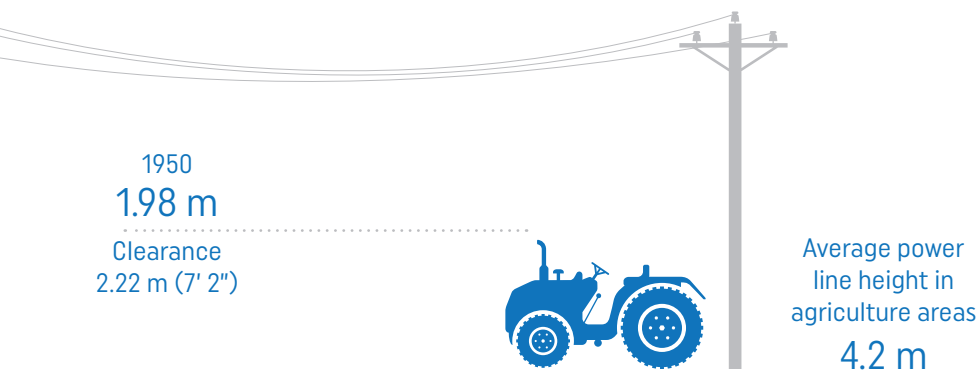

Before moving farm equipment near power lines

call ATCO Electric at

1 855 277 1670

We will measure power lines in your yard or field and help plan the safest route then lift the power lines, if needed.

Since 1950, the height of farm equipment has doubled. Power line heights have stayed the same.
