

## ONE COMPANY, INFINITE POSSIBILITIES

---

With diverse products and services across many industries, we are a one-stop provider of integrated energy, housing, transportation and infrastructure solutions.

We provide customers with innovative, sustainable solutions in the sectors that are fundamental to global growth and prosperity: housing, real estate, energy, water, transportation and agriculture. From the delivery of efficient and reliable energy for homes, businesses and communities, to affordable temporary and permanent buildings, we build communities, energize industries and deliver customer-focused solutions like no other company in the world.

# OPERATIONS & MAINTENANCE

---

The ATCO logo features the word "ATCO" in a bold, black, sans-serif font, underlined with a thick orange line. To its right, the tagline "always there.™ anywhere." is written in a smaller, orange, sans-serif font.A background image of a worker in safety gear, including a white hard hat, safety glasses, and a dark blue jacket with reflective orange stripes. The worker is looking up and to the right, and their hands are visible near some industrial equipment. The image has a blue and orange color overlay.

# OPERATIONS & MAINTENANCE

ATCO's Operations & Maintenance Services is Alberta's gold standard, offering resources and geographical coverage that is unmatched for natural gas transmission or distribution systems. Operations & maintenance is at the heart of ATCO services with a workforce of trained, experienced and certified personnel for virtually every job and delivering on-time service anywhere in the province. When you need to depend on someone to provide service reliability, ATCO is the clear choice.
