7.4.1 Billing Error

Should the Retailer dispute any amount owing, the Retailer shall nonetheless pay such disputed amount and submit the dispute for resolution in accordance with these Terms and Conditions.

For those Customers to which the RRO Regulation is applicable, where the Company overcharges or undercharges on a bill as a result of a billing error including, but not limited to, incorrect meter reads or any calculation, rate application or clerical error, the Company shall render an adjusted bill, upon resolution of the disputed amount, in accordance with the RRO Regulation, without interest.

For those Customers to which the RRO Regulation is not applicable, where the Company overcharges or undercharges on a bill as a result of a billing error including, but not limited to, incorrect meter reads or any calculation, rate application or clerical error, the Company shall render an adjusted bill, upon resolution of the disputed amount, without interest, in accordance with the following:

- (a) If a Retailer is found to have been overcharged the Company will calculate the amount of the overcharge and will refund the amount to the Retailer forthwith;
- (b) If a Retailer is found to have been undercharged the Company will bill the Retailer for those billing periods during which a billing error occurred up to a maximum of two (2) year immediately preceding the month in which the billing error was discovered.

In circumstances where a billing dispute has been initiated by the Retailer and the Company has been found not to be in error the Company may assess a Billing and Meter Dispute fee to the Retailer as established in the Schedule of Supplementary Service Charges.

Whenever the Company renders an adjusted bill to the Retailer in the event of a billing error, the Retailer shall be responsible for adjusting bills and issuing refunds or credits as appropriate to the affected Customers.

7.4.2 *Unauthorized Use*

Where the Company determines that there has been unauthorized use of electric service including, but not limited to, meter tampering, unauthorized connection or reconnection, theft, fraud or the intentional or unintentional use of energy whereby the Company is denied full compensation for Electric Distribution Services provided, the Company will bill the Retailer for the Company's estimated wires charges of such unauthorized use, including repairs of damage or reconstruction of Company Facilities. Nothing in this section shall limit any other rights or remedies that the Company may have in connection with such unauthorized use.

7.5 Cessation of Distribution Tariff charges relating to Oil and Gas Service

Notwithstanding anything to the contrary in these Retailer Terms and Conditions, if ATCO Electric receives a request from the Regulated Rate Option Provider to cease applicable Distribution Tariff charges for a Point of Service, ATCO Electric may, in its sole discretion, cease such charges if:

- (a) The electric service is provided to an oil and gas company located on Rural Lands owned by a farm or residential customer;
- (b) At the time that the service connection was originally provided, the service connection was not requested or approved by, or on behalf of, the then-registered owner of the Rural Lands;
- (c) The Point of Service is for production energy requirements in the petroleum and natural gas industries;
- (d) The Regulated Rate Option Provider has requested that the Point of Service be de-energized as a vacant premise for the purposes of AUC Rule 021; and
- (e) The Regulated Rate Option Provider has advised ATCO Electric in writing that the Regulated Rate Option Provider has conducted a reasonable level of due diligence and determined there is no eligible customer at the Point of Service.

Any cessation of Distribution Tariff charges made under this Section 7.5 shall be effective only from the date that ATCO Electric determines, in its sole discretion, that all of the criteria described in a) through e) above have been satisfied.

ATCO Electric has the right, but not the obligation, acting in its sole discretion, to perform a salvage of Facilities located on Rural Lands at any time after cessation of Distribution Tariff charges as described above.

ARTICLE 8 – ELECTRIC DISTRIBUTION SERVICE INTERRUPTION

8.1 Continuous Supply

The Company shall make all reasonable efforts to maintain a continuous electricity supply to the Retailer's Customers, but the Company cannot guarantee an uninterrupted electricity supply.

8.2 Interruption

Without liability of any kind to the Company, the Company shall have the right to disconnect or otherwise curtail, interrupt or reduce service to the Retailer (and the Retailer's Customers):

- (a) whenever the Company reasonably determines, or when the Company is directed by the ISO, that such a disconnection, curtailment, interruption or reduction is necessary to facilitate construction, installation, maintenance, repair, replacement or inspection of any of the Company's Facilities;
- (b) to maintain the safety and reliability of the Company's distribution system; or,
- (c) due to any other reason related to dangerous or hazardous circumstances including emergencies, forced outages, potential overloading of the Company's distribution system or Force Majeure.

8.3 Reasonable Efforts

The Company shall use reasonable efforts to minimize any scheduled curtailment, interruption or reduction to the extent reasonably practicable under the circumstances, to provide the Customer with prior notification of any such curtailment, interruption or

reduction to the extent reasonably practicable, and to resume Electric Distribution Service as promptly as reasonably practicable.

ARTICLE 9 – DISCONTINUANCE OF ELECTRIC DISTRIBUTION SERVICE

This Article, as amended from time to time, specifies the processes for the transactions between the Company and the Retailer in relation to de-enrollment (“de-select”) of a Site, which includes, without limitation, the circumstances when a Retailer chooses not to arrange for Electric Distribution Service to the Customer or when the Company discontinues Electric Distribution Service to the Retailer as set forth in Section 9.2 herein. This section does not cover the provisions under which a Customer requests its service to be salvaged.

9.1 Discontinuance by the Retailer

- (a) To discontinue Electric Distribution Service, a Retailer shall complete and provide to the Company a notice of de-select in the form and manner set out in the Retailer Guide and in compliance with AUC Rule 021. Such notice shall clearly specify the Retailer's reason(s) for seeking to de-select the Site (Customer).
- (b) In accordance with Article 12 of these Terms and Conditions, the Company will obtain meter reads from time to time. If the Company does not schedule an actual read at the time of the de-select, the Company will estimate a meter read. At the request of the Retailer or with the Retailer's consent, the Company shall obtain an actual off-cycle meter read and assess a charge to the Retailer as set forth in the Schedule of Supplementary Service Charges.
- (c) The Company may reject the notice from the Retailer to de-select any Customer if any information provided in the application, including the Customer Information, provided by the Retailer is false, incomplete or inaccurate in any respect.
- (d) The Retailer is responsible to ensure that its Customers are provided notice of the de-select, and the consequences thereof, and that the Company will not be held liable for any Customer disputes with the Retailer.

- (e) Upon receipt of a valid notice of de-select of Electric Distribution Service from a Retailer in the form and manner set out in AUC Rule 021, the Company will accept the de-select request of the Retailer and notify the Customer of the pending transaction. If the Site is not enrolled by a replacement Retailer within the period as set out in the Retailer Guide, the Company will notify the Default Retailer or the Retailer for whom the Company has made arrangements to provide the regulated rate tariff to enroll the Site.
- (f) The Retailer shall remain responsible for Electricity Services to the Customer Site until a replacement Retailer is appointed and in place for the Customer Site.
- (g) The Retailer may revoke a notification to de-select a Customer Site as set out in the Retailer Guide. The Company may assess a charge for processing a revoke de-select under this section as set forth in the Schedule of Supplementary Service Charges.

9.2 Discontinuance by the Company

The Company may discontinue or restrict Electric Distribution Service to the Retailer if any of the following occur:

- (a) the Retailer's license has been revoked by Alberta Government Services, or
- (b) the Retailer has failed to meet its obligations under these Terms and Conditions or the Retail Service Agreement with the Company, or
- (c) the Retailer has failed to meet its credit requirements pursuant to Article 11.

Notification of discontinuance will be made electronically to the Retailer. The Company will provide the Retailer ten (10) Business Days' notice or such lesser notice period as expressly set out in Articles 7.3 and 11.2(d) before the Company discontinues Electric Distribution Service to the Retailer. Upon discontinuance of Electric Distribution Service pursuant to this Article, the provisions of the affected service(s) will be assumed by the Default Supplier for non-eligible Customers, and the person for whom the Company has made arrangements to provide the regulated rate tariff for eligible Customers.

ARTICLE 10 – SERVICE DISCONNECTS AND RECONNECT

This Article, as amended from time to time, specifies the processes for the transactions between the Company and the Retailer in relation to the physical disconnect of a Point of Service. For greater certainty, “disconnect” is synonymous with the term “de-energize” as that term is used in AUC Rule 021.

10.1 Disconnection of Service

10.1.1 *Disconnection by the Company*

- (a) The Company reserves the right to disconnect electric service to the Customer in a number of circumstances, including but not limited to non-payment of the Company bills or any past due charges by the Customer; evidence of safety violations, energy theft or fraud by the Customer; or the Customer failing to meet its obligations under the Customer Terms and Conditions for Electric Distribution Service or any of the terms of the Customer's Electric Service Agreement.
- (b) If the disconnect is a result of a safety violation, the Company will reconnect the service when the safety problem is resolved and when the Customer has provided, or paid the Company's costs of providing, such devices or equipment as may be necessary to resolve such safety problem and to prevent such damage, interference or disturbance. The Company may also require proof of electrical permits or approvals prior to the service being reconnected. The Company may also assess a reconnect charge to the Retailer as set forth in the Schedule of Supplementary Service Charges.

10.1.2 *Disconnection at Request of Retailer*

- (a) In accordance with Section 105(1)(k) of the EUA, the Retailer shall have the right to request that the Company disconnect service to a particular Customer, and the Company shall comply with that request, unless such action is inconsistent with the Company's approved policies contained in Schedule B to these Terms and Conditions.

- (b) If a Retailer requests the Company to disconnect service to a particular Customer for idle service, the Company reserves the right to charge the Retailer the Customer's monthly idle service charges, as determined by Price Schedule Option F, or any other applicable charges.
- (c) The Retailer shall remain responsible for Electricity Services to the Customer until a replacement Retailer has enrolled the Customer at the Site.
- (d) The Company reserves the right to assess charges to the Retailer to disconnect service or attempts to disconnect service to a Customer as set forth in the Schedule of Supplementary Service Charges.
- (e) The Company will notify the Retailer if a disconnect request was not successfully completed and will include the reason. The Retailer may then re-issue a disconnect request acknowledging the associated risks. The Company reserves the right to make the final determination on whether a disconnection will be made in consideration of these risks.
- (f) The Company reserves the right to request the Retailer to provide the Customer's contact name and phone number for the purpose of verifying the disconnect request. In the event that, in the opinion of the Company, the facility, its associated equipment or occupants may be adversely affected by the disconnection the Company will not proceed with the disconnection.

10.1.3 Disconnection at Request of Customer

In accordance with AUC Rule 021, any requests to disconnect service from a Customer shall be made by the Customer's Retailer. If the Customer notifies the Company that the disconnect is short-term and required for reasons including but not limited to equipment testing and inspection, the Company reserves the right to complete the request for disconnect and subsequent reconnect. If the Company determines the disconnect request falls under the provisions of idle service, the Company will administer the request as per the disconnect and idle service

provisions set out in the Customer Terms and Conditions for Electric Distribution Service.

10.1.4 Permanent Disconnection

- (a) If the Retailer requests the Service Connection to be permanently disconnected, the Customer billing for that service will be finalized and the Customer may be required to pay for any unrecovered investment made by the Company as set forth in the Customer Terms and Conditions for Electric Distribution Service. At the discretion of the Company, the Facilities provided by the Company will be removed unless the Retailer agrees to pay the idle service charges as set forth in Sub-section 10.1.2 or 10.1.3.
- (b) If within three (3) years of permanent disconnection the Customer requests the Service Connection be restored, the Customer must pay all the costs associated with the original disconnection, removal of the Facilities and restoration of service if they have not already done so.

10.2 Reconnect Service

Before reconnecting or restoring service to a particular Customer:

- (a) the Retailer must provide the Company with sufficient notice to reconnect service;
- (b) the Company reserves the right to assess a charge to the Retailer of the minimum monthly charge for each month of disconnection, if the service was previously on idle service as determined by Price Schedule Option F, and is reconnected within 12 months of disconnection, in accordance with the idle service provisions outlined in the Customer Terms and Conditions for Electric Distribution Service;
- (c) if the reason for the reconnect request is to resume Electric Distribution Service after a Site was disconnected for Customer indebtedness to the Customer's Retailer, and the Customer on the reconnect request matches the Customer on the original Cut-off for Non-Payment (CONP) disconnect request then the Company will not reconnect until such time as a disconnect release is received by

the Company from the Retailer that issued the disconnect request. Such release shall be sent to the Company within 24 hours of the Retailer receiving payment;

- (d) the Company reserves the right to assess a reconnection charge as set forth in the Schedule of Supplementary Service Charges.

ARTICLE 11 – PRUDENTIAL REQUIREMENTS

In circumstances where the Retailer has multiple Retailer Identification numbers, the review, setting, and maintaining of prudential requirements shall be based on the Retailer Business Number level.

11.1 Setting of Prudential Requirements

- (a) The Retailer, with the exception of the Retailer for whom the Company has made arrangements to provide the regulated rate tariff, must fulfill the requirements as set forth in this Article to the satisfaction of the Company before the Company will provide Electric Distribution Service to that Retailer.
- (b) Subject to review and reassessment of the Prudential Requirements of a Retailer by the Company from time to time, a Retailer shall meet and maintain such financial and other Prudential Requirements as set out in the *Distribution Tariff Regulation*, A.R. 162/2003, as may be amended from time to time, to ensure that the Retailer is and remains of sufficient financial standing to meet its ongoing financial obligations.
- (c) The Company will confirm the Credit Rating of the Retailer or person which guarantees the financial obligation of the Retailer.

The minimum Credit Rating that will qualify a Retailer for a reduction in security or allowing a person to provide an irrevocable guarantee of the Retailer's financial obligation will be in accordance with the requirements set out in the *Distribution Tariff Regulation*, A.R. 162/2003, as may be amended from time to time.

If a Retailer has obtained more than one Credit Rating, the lowest Credit Rating will be used in the assessment.

- (d) Subject to review and reassessment, the Company shall determine the amount of the security reduction available for each Retailer, and the maximum amount of any guarantee required from the person guaranteeing the financial obligations of the Retailer, subject to Sections 8 and 9 of the *Distribution Tariff Regulation*, A.R. 162/2003, as may be amended from time to time. The Company shall notify the Retailer of its security requirement within 20 (twenty) Business Days from the receipt of the Retailer's complete application for service.

- (e) Subject to Section 9 of the *Distribution Tariff Regulation*, A.R. 162/2003, as may be amended from time to time, the Retailer shall provide security in the manner set out in the Retailer Guide, in the form of a cash deposit, an irrevocable letter of credit from a Qualified Institution or an irrevocable guarantee. Notwithstanding the definitions under these Terms and Conditions, the relationship between the Retailer and the Company is a relationship of creditor and debtor, respectively. Where the Retailer provides security in the form of a cash deposit, all right, title, and interest is transferred absolutely; will vest in the Company free and clear of any liens, claims, charges and encumbrances; and no security interest will be created in the cash. An irrevocable guarantee may be provided from a Canadian person, or person acceptable to the Company, other than the Retailer, with a qualifying credit rating.

11.2 Maintaining Prudential Requirements

- (a) If a Retailer's actual outstanding charges under the Company's Distribution Tariff are materially greater than the value projected by the Retailer under Section 11.1 of these Terms and Conditions, the Company will update the projection and, if additional security is required based on the updated projection, require the Retailer to provide additional security within five (5) Business Days of the Company's request.

- (b) The Company requires Retailers to report any downgrading of the Retailer's Credit Rating to the Company within two (2) Business Days of said Credit Rating revisions, and must provide any additional security required as a result of the downgrading within five (5) Business Days of the downgrading.

(c) If a Retailer fails to pay any amount billed, subject to Section 7.3 of these Terms and Conditions, the Retailer hereby grants to the Company a right to “Set-off” any amounts payable by the Retailer with respect to any obligations of the Retailer to the Company, or when the Retailer has provided security in the form of an irrevocable letter of credit or irrevocable guarantee. The meaning of Set-off includes offset, combination of accounts, the right of retention or withholding, or similar right or requirement (whether arising under an agreement, applicable law or otherwise), and, when used as a verb, the exercise of any such right or the imposition of any such requirement. The Company will apply all or any portion of that Retailer’s security to the unpaid amount. The Retailer will then be required to replenish the security as outlined above.

(d) If the Retailer fails to maintain its prudential requirements in accordance with these provisions outlined herein, the Company reserves the right to suspend the provision of additional Electric Distribution Service to the Retailer, or discontinue Electric Distribution Service entirely to the Retailer. The Company will provide the Retailer notice of discontinuance three (3) Business Days before the Company discontinues Electric Distribution Service to the Retailer.

Upon discontinuance of Electric Distribution Service pursuant to this Article, the provisions of the affected service(s) will be assumed by the Default Supplier for non-eligible Customers, and the person for whom the Company has made arrangements to provide the regulated rate tariff for eligible Customers.

(e) A Retailer that is required to provide security in accordance with the *Distribution Tariff Regulation*, A.R. 162/2003, as amended from time to time, and these Terms and Conditions must maintain that amount of security until all obligations of the Retailer under the Company’s Distribution Tariff are satisfied. A Retailer who provides security other than by means of a cash deposit held by the Company, must either ensure that its security has no expiry date and cannot be terminated, or must at all times ensure that its security is automatically extended from year to year, for successive periods of a minimum of one year each from any expiration date thereof, unless the Company is notified in writing by prepaid registered mail not less than 30 days prior to any expiration date that the security will not be

renewed for any such additional period ("Notice of Non-Renewal"). A Retailer who provides security other than by means of a cash deposit held by the Company, must ensure that its security is executable from an intermediary bank branch or office with a drawing location in Calgary, Alberta.

- (f) Upon receipt of a Notice of Non-Renewal, the Company shall provide notice of same in writing to the Retailer advising that the Retailer's failure to provide the Company with alternate security meeting the requirements set out in the *Distribution Tariff Regulation*, A.R. 162/2003, within 3 business days after the date of the notice shall be a breach of the Retailer's obligation to maintain its security in accordance with s.11 of the *Distribution Tariff Regulation*, A.R. 162/2003, and an event of default under Article 14.1(d) of these Terms and Conditions. If after 3 business days the Company is not in receipt of such alternate security, the full amount of the Retailer's security determined in accordance with sections 8 and 9 of the *Distribution Tariff Regulation* shall become due and payable to the Company and the Company shall be entitled to make demand or claim against the Retailer's security in accordance with Article 14.3.
- (g) In the event of a default by a Retailer, the Company is entitled to recover any costs not covered by the security posted by the Retailer through the Company's Distribution Tariff, in accordance with the *Distribution Tariff Regulation*, A.R. 162/2003, as may be amended from time to time.

11.3 Confidentiality

All information provided by the Retailer in relation to its financial standing and designated by the Retailer as confidential will be treated as such under the Confidentiality Agreement between the Retailer and the Company. The terms and conditions of the Confidentiality Agreement are set out in the Retailer Guide.

11.4 Costs

All costs associated with obtaining financial security and meeting prudential requirements under this section are the responsibility of the Retailer.

11.5 Interest on Security Deposits

Interest on each Retailer's cash security deposit held by the Company will be calculated at the rate specified from time to time in *The Residential Tenancies Act S.A. 2004, C.R-17.1* or as otherwise stipulated in any contractual arrangements between the Retailer and the Company. Interest will be paid to the Retailer annually.

11.6 Letter of Credit Default

Letter of Credit Default shall mean, with respect to an outstanding letter of credit, the occurrence of any of the following events:

- (1) The issuer of the letter of credit ceases to be a Qualified Institution;
- (2) The issuer of the Letter of Credit fails to comply with or perform its obligations under such letter of credit and such failure continues after the lapse of any applicable grace period;
- (3) The issuer of such letter of credit disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of such letter of credit;
- (4) The letter of credit expires, terminates, or ceases to be in full force and effect at any time; or
- (5) Any party related to the issuance of such letter of credit or credit support provider is dissolved, becomes insolvent or is unable to pay its debts, or fails or admits in writing its inability generally to pay its debts as they become due, makes a general assignment, arrangement or composition with or for the benefit of its creditors, files a petition for itself or a petition is filed by a 3rd party under the *Bankruptcy and Insolvency Act* of Canada, the *Companies' Creditors Arrangement Act*, or similar acts of other forbearing jurisdictions

ARTICLE 12 – METERING

12.1 Provision and Ownership

The meters used by the Company to assess the level of Electric Distribution Service charges to the Retailer will be the same meters used to provide Customer billing

information to the Retailer. The Company will provide, install and seal all meters for each Point of Service of a Customer of the Retailer in accordance with the Customer Terms and Conditions for Electric Distribution Service. Interval meters shall be installed for a Customer who has a connected load exceeding 500 kW or as required by the *Micro-Generation Regulation, A.R. 27/2008*, as amended from time to time. A Customer requesting an interval meter outside of these conditions will be assessed the charges indicated in of the Schedule of Supplementary Service Charges. Each meter shall remain the property of the Company.

12.2 Meter Reading

- (a) Billing will be based on meter readings made by the Company from time to time or on estimates for those billing periods when the meter is not read. The Company reserves the right to assess a charge to the Retailer, as set forth in the Schedule of Supplementary Service Charges, for additional reads above the Company's standard practices.
- (b) For small general service Customers whose load requirements are small, consistent, and can be accurately predicted, the billing demand and energy may be determined, at the sole discretion of the Company, by methods such as but not limited to, the nameplate rating of the Customer's equipment rather than being metered.

12.3 Changes to Metering Equipment

- (a) Should a Retailer request or consent to a Customer request for new metering equipment beyond the basic service, the Company shall provide, install, test and maintain the required metering equipment. The metering equipment must be requested or consented to in writing by the Retailer and meet the Company's requirements. The Retailer shall bear the cost of providing and installing the metering equipment, and ongoing operating costs as set forth in the Schedule of Supplementary Service Charges. For changes to metering equipment on primary distribution voltage levels, the cost of providing, installing, and the ongoing operating costs will be determined on a case by case basis.

The metering equipment shall become the property of the Company and will be maintained by the Company. The Company shall complete installation of the metering equipment within thirty (30) days of delivery from the supplier. The Company shall bill the Retailer upon installation, and the Retailer shall pay the Company in full within eleven (11) Business Days of receipt thereof. If payment is not received within eleven (11) Business Days, the Company shall charge a Late Payment Charge as set forth in the Schedule of Supplementary Service Charges.

- (b) Should a Retailer request or consent to a Customer request to return the metering equipment to its previous basic form, the Retailer shall bear the cost of removal and installation of the metering equipment.
- (c) At the request by the Retailer, or with the Retailer's consent, the Company may provide other metering services, above standard metering service, in its discretion, acting reasonably, and may charge separate fees for such service.

12.4 Meter Test and Adjustments

- (a) The Company may inspect and test a meter at any reasonable time. At the request of a Retailer, the Company shall arrange for on-site meter verification and if necessary, shall arrange for a meter to be tested by an official designated for that purpose by Measurement Canada or accredited agency as may, from time to time, be designated for this purpose.
- (b) If a test determines that the meter is not accurate within the limits set by government standards, the meter data will be adjusted back to the time that the error can reasonably be determined to have commenced.

Where it is impossible to determine when the error commenced, it shall be deemed to have commenced three (3) months before the test or the date of the meter installation, whichever occurred later, in accordance with the *Electricity and Gas Inspection Act, R.S.C., 1985, C.E-4*. The Company shall not be liable to the Customer or Retailer for any additional costs that are associated with such metering or meter reading errors.

- (c) The Company reserves the right to assess a charge to the Retailer for a meter test, in circumstances where the Company has not been responsible for any metering error, as set forth in the Schedule of Supplementary Service Charges. This charge does not apply to circumstances when the tested meter is not accurate within parameters set by Measurement Canada.

ARTICLE 13 – LOAD SETTLEMENT

13.1 Request for Additional Information

A Retailer may request additional settlement information above the basic service provisions specified in AUC Rule 021 or information previously provided by the Company providing:

- (a) the Retailer provides a written request to the Company outlining the purpose for the additional settlement information; and
- (b) the additional settlement information applies only to the Customers of the Retailer.

Upon satisfaction of the above requirements, the Company will advise the Retailer in a written proposal of the type of work, time of delivery and charges necessary to provide the additional settlement information to the Retailer.

13.2 Liability

The Company shall not be liable to any person for any damages, cost, expense, injury, loss or other liability of any kind whatsoever, or however caused, resulting directly or indirectly from its good faith performance of its responsibilities under the provision of this article. No express or implied warranties of any kind shall apply to information or services provided by the Company to any person as part of such good faith performance, including without limitation implied warranties of fitness for a particular purpose.

ARTICLE 14 – DEFAULT

14.1 Events of Default

An event of default under these Terms and Conditions and the Retail Service Agreement will occur if either the Company or the Retailer (“Defaulting Party”):

- (a) is the subject of a bankruptcy, insolvency or similar proceeding;
- (b) makes an assignment for the benefit of its creditors;
- (c) applies for, seeks, consents to, or acquiesces in the appointment of a receiver, custodian, trustee, liquidator or similar official to manage all or a substantial portion of its assets;

14.2 Rights Upon Default

In an event of default, the Non-Defaulting Party shall, subject to these Terms and Conditions and any applicable regulatory requirements, be entitled to pursue any and all available legal and equitable remedies and terminate the Retail Service Agreement without any liability or responsibility whatsoever, except for obligations arising prior to the date of termination. The non-defaulting party shall provide written notice to the defaulting party of its intention to terminate Electric Distribution Service hereunder.

14.3 Recourse to Security Upon Retailer Default

In addition to any other rights and remedies set out herein, in an event of default by the Retailer, other than a default in payment addressed under section 12 of the Distribution Tariff Regulation, the full amount of the Retailer's security determined in accordance with sections 8 and 9 of the Distribution Tariff Regulation shall become due and payable to the Company and the Company shall be entitled to make demand or claim against the Retailer's security for the full amount secured thereunder. All funds received by the Company in respect of such claim shall be retained by the Company and applied against

the Retailer's obligations hereunder until such time as all of the Retailer's obligations have been determined and satisfied. Any balance remaining after satisfaction of the Retailer's obligations shall be returned to the issuing party of the security for the benefit of the Retailer.

ARTICLE 15 – LIABILITY AND INDEMNITY

15.1 Indemnity

- (a) Each party (as applicable, the "Indemnitor") will indemnify and hold harmless the other party and its directors, officers, employees, agents and representatives ("Indemnitee(s)") from and against any direct damages, injuries, losses and other liabilities claimed against the Indemnitee or any of them, and all related costs and expenses (including reasonable legal fees) suffered or incurred by any of them in relation to any claims, cause of action, action, suit or proceeding by a third party ("Claim") which arises from damage to property or injury to or death of persons resulting from the Indemnitor's failure to perform its obligations under these Terms and Conditions which failure is caused by the negligence or willful act of the Indemnitor or any of its directors, officers, employees, agents or representatives acting within the scope of their authority or employment. The indemnity under this Section 15.1(a) will be limited to an amount in proportion to the degree to which the Indemnitor or its directors, officers, employees, agents or representatives acting within the scope of their authority or employment are at fault. For the purpose of this Section 15.1(a) "willful act" means any act or omission which is an intentional tort or an intentional breach of any obligations under these Terms and Conditions.

- (b) In the event that an Indemnitee is entitled to and desires to assert its right to indemnification from an Indemnitor under this Section 15.1 such Indemnitee will give the Indemnitor prompt notice of the Claim, which shall describe the Claim in reasonable detail and shall indicate the estimated amount, if practicable, of the indemnifiable loss that has been or may be sustained by the Indemnitee. The failure to promptly notify the Indemnitor hereunder shall not relieve the Indemnitor

of its obligations hereunder, except to the extent that the Indemnitor is actually and materially prejudiced by the failure to so notify promptly.

- (c) Subject to Section 15.1(d) hereof, if the Indemnitor delivers to the Indemnitee a written acknowledgement of its unconditional and irrevocable obligation to indemnify the Indemnitee under Section 15.1(a) in respect of:
- (1) all of the damages, injuries, losses, liabilities, costs and expenses that may be claimed against, or suffered or incurred by, the Indemnitee in respect of the Claim within ten (10) days following the Indemnitor's receipt of the Indemnitee's notice of such Claim and if the existence of such obligation to indemnify is made known by the Indemnitor to the third party claimant (and, if applicable, to the court or other tribunal determining the Claim), the Indemnitee shall make available to the Indemnitor all information in its possession or to which it has access, other than information that has been designated as confidential by the provider of such information, which is or may be relevant to the particular Claim and the Indemnitor shall be entitled, at its option, to take carriage of the defense of the Claim by its own counsel and, if it elects to do so, the Indemnitee shall cooperate with the Indemnitor to the fullest reasonable extent in the defense, settlement or compromise of the Claim; or
 - (2) some, but less than all, of the damages, injuries, losses, liabilities, costs and expenses that may be claimed against, or suffered or incurred by, the Indemnitee in respect of the Claim within ten (10) days following the Indemnitor's receipt of the Indemnitee's notice of such Claim and if the Indemnitee is of the opinion that the Indemnitor's interests are not in conflict with its own, the Indemnitee shall make available to the Indemnitor all information in its possession or to which it has access, other than information that has been designated as confidential by the provider of such information, which is or may be relevant to that portion of the Claim in respect of which the Indemnitor has an obligation to indemnify the Indemnitee and consult with the Indemnitor in respect thereof.

The Indemnitee shall not make any admission of the liability regarding, or settle or compromise, that portion of the Claim in respect of which the Indemnitor has acknowledged its obligation to indemnify the Indemnitee without the written consent of the Indemnitor, which consent shall not be unreasonably withheld.

- (d) The provisions of Section 15.1(a) hereof shall not apply in respect of any Claim to which the Indemnitor is, or may reasonably be expected to be, a party and where the Indemnitee is asserting legal defenses in relation to the Claim that conflict with legal defenses being asserted by the Indemnitor.

15.4 The Company Not Liable to Customer

For greater certainty, the Company shall not be liable to a Customer Party for any damages of any kind:

- a) caused by or arising from any of the Company Party’s conduct in compliance with or in breach of, or as permitted by, these Terms and Conditions, the Customer Terms and Conditions for Electric Distribution Service, Electric Service Agreement or other agreement with the Customer, or any contractual, legal or regulatory requirements related to service provided to Retailers;
- b) caused to the Customer and arising from any failure of a Retailer to comply with the Retailer Terms and Conditions for Electric Distribution Service, any agreement with the Company relating to Electric Distribution Services or for any damages caused by or arising from equipment installed or actions taken by a Retailer;

- c) caused by or arising from a Retailer's failure to perform any commitment to the Customer, including but not limited to the Retailer's obligation, including its obligation under Part 8 of the Act, to provide Retail Electricity Services including Electric Distribution Service to the Customer; or

If either the Company or the Retailer shall neglect or refuse to appoint an arbitrator within fifteen (15) days after the other party (provided such other party has appointed its arbitrator) has served the Company or the Retailer, as the case may be, with notice to make the appointment, the party who has appointed its arbitrator shall be entitled to apply, upon notice to the other party, to a Justice of the Court of Queen's Bench of Alberta to appoint an arbitrator for the party in default.

17.6 Failure to Appoint a Third Arbitrator

If the arbitrators appointed by the Company and the Retailer have not, within fifteen (15) days after their appointment or the appointment of the arbitrator last appointed, as the case may be, appointed a third arbitrator, either the Company or the Retailer shall be entitled to apply upon notice to the other party to a Justice of the Court of Queen's Bench of Alberta to appoint such an arbitrator.

17.7 Technical Competence

Any arbitrator appointed under the provisions of this clause whether by concurrence of the Company and the Retailer, by either party, by the arbitrators, or by a Justice of the Court of Queen's Bench of Alberta shall, in the opinion of the persons making such appointment, be possessed of such technical or other qualifications as may be reasonably necessary to enable him to properly adjudicate upon the dispute or difference.

17.8 Compensation of Arbitrators

17.11 Continuity of Service

All performance required under these Terms and Conditions by the Company and the Retailer and payment therefore shall continue during the dispute resolution proceedings contemplated by this Article 17, provided that in the case of any such proceedings pertaining to amounts payable under these Terms and Conditions, any payments or reimbursements required as a result of the proceedings shall be effective as of a date to be determined in such proceedings and interest shall be paid thereon by the party required to make the payment or reimbursement on the amount thereof at the rate specified from time to time in *The Residential Tenancies Act S.A. 2004, C.R-17.1* or as otherwise stipulated in any contractual arrangements between the Retailer and the Company.

ARTICLE 18 – MISCELLANEOUS

18.1 Independent System Operator or Transmission Facility Owner Requirements

Retailers and Customers acknowledge and agree that the Company is bound by all operating instructions, policies and procedures of the Independent System Operator and Transmission Facility Owners which are needed to maintain the integrity of Alberta's interconnected electric system. Each Retailer and Customer acknowledges and agrees that they will cooperate with the Company so that the Company will be in compliance with all such operating instructions, policies and procedures which include, but are not limited to, those operating instructions, policies and procedures pertaining

18.2 Compliance with Applicable Legal Authorities

The Company and the Retailer are subject to, and shall comply with, all existing or future applicable federal, provincial and local laws, all existing or future orders or other actions of the ISO or of governmental authorities having applicable jurisdiction. The Company will not violate, directly or indirectly, or become a party to a violation of any requirement of the ISO or any applicable federal, provincial or local statute, regulation, bylaw, rule or order in order to provide Electric Distribution Service to the Retailer (or a Customer of the Retailer). No assignment shall relieve the assigning party of any of its obligations under these Terms and Conditions or the Retail Service Agreement until such obligations have been assumed by the assignee. Any assignment in violation of this Section shall be void. However, the Company may assign any or all of its rights and obligations under these Terms and Conditions and the Retail Service Agreement, without the Retailer's consent, to any entity succeeding to all or substantially all of the assets of the Company, if the assignee agrees, in writing, to be bound by all of the terms and conditions hereof and if any necessary regulatory approvals are obtained.

18.4 No Waiver

The failure of either party to insist on any one or more instances upon strict performance of any provisions of these Terms and Conditions or a Retail Service Agreement, or to take advantage of any of its rights hereunder, shall not be construed as a waiver of any such

provisions or the relinquishment of any such right or any other right hereunder, which shall remain in full force and effect. No term or condition of these Terms and Conditions or a Retail Service Agreement shall be deemed to have been waived and no breach excused unless such waiver or consent to excuse is in writing and signed by the party claimed to have waived or consented to excuse.
